TERMS OF SALE.

SPECIAL NOTICE—No employee is authorized to alter these terms.

1 The highest bidder to be the buyer, subject to the terms of sale, and if any dispute arises between two or more bidders, the Auctioneer shall either decide the same or the lot so in dispute shall be immediately put up again and re-sold.

2 Any bid which is merely a nominal or fractional advance may be rejected by the Auctioneer if in his judgment such bid would be likely to affect the sale injuriously.

3 Every article sold singly; nothing sold by the pair.

4 Purchasers to give names and addresses, and to make a deposit of 25 per cent., or as much as the Auctioneer may require in part payment, or the whole of the purchase money if required; in default of which the lot or lots so purchased to be immediately put up again and re-sold.

5 All deposits made are applicable to any or all purchases either at this sale or at any previous sale.

6 The lots to be taken away and paid for at the buyer's risk and expense within the time announced by the Auctioneer, the Auctioneers not being responsible for the correct description, genuineness, authenticity or defect in any lot, and making no warranty unless specially mentioned at the time of sale. No sale will be set aside nor allowance made on account of any incorrectness, error in cataloguing, or any imperfection not noted. No deduction on damaged articles, all goods are exposed for public exhibition, and sold just as they are. Purchases will be delivered only upon presentation of receipted bill therefor.

7 To prevent inaccuracy in delivery and inconvenience in settlement of the purchases, no lot can on any account be removed during the sale; and the remainder of the purchase money must absolutely be paid within the time announced by the Auctioneer and before the examination or removal of the goods.

8 The time allowed for payment of bills and removal of goods is either printed in the catalogue or announced by the Auctioneer and can always be obtained from the office of the Auctioneers. It is the duty of all purchasers to inform themselves thereof and no responsibility shall rest upon the Auctioneer by reason of the purchaser's ignorance thereof.

9 All purchases made at this sale are at the purchaser's risk as soon as they are struck off; the Auctioneers not being responsible if all or any part of such purchases be lost, stolen, damaged or destroyed; however, without assuming any responsibility the Auctioneers will take all usual precautions for the care and protection of the goods during the time allowed for the removal thereof.

All claims must be made before the removal of the goods.

11 In case of purchases for which settlement is required by estimated actual weights, counts or measures, no adjustments will be made after; time allowed by the Auctioneers for the removal of the purchases.

12 The record kept by the clerk of the sale, together with the marked catalogus of the Auctioneers, shall in all cases be accepted by the buyers as final when any question arises.

13 In addition to any other remedies given by law to the seller, it is agreed that in case of failure by the purchasers to comply with these terms, the money deposited in part payment shall be forfeited; all lots not paid for and removed within the time allowed by the Auctioneers shall be re-sold at public or private sale, without further notice, and the deficiency (if any) attending such re-sale shall be made good by the purchasers at this sale, together with all charges and expenscs which may be incurred by reason of their failure to comply with the terms of sale.

14 The Auctioneers will not be liable for non-delivery of any article above the amount paid by the purchaser of such article.

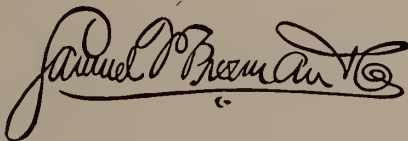

15 Commissions to purchase will be executed by the Auctioneers without charge, such purchases, however, being made subject to the terms of sale.

16 In case of lots upon which there is a reserve, the Auctioneers shall have the right to bid on behalf of the seller.

17 All sales made by order of the Court are subject to the confirmation of the Court ordering the sale.

18 The Auctioneers reserve the right to reject any or all bids.

19 The Auctioneers are in no manner connected with the business of the cartage or packing and shipping of purchases, and although they will afford to purchasers every facility for employing careful carriers and packers, they will not hold themselves responsible for the acts or charges of the parties engaged for such services.
